Sir:

Applicant, by and through its attorneys of record, again respectfully request a report as to the status of the Communication which was originally filed on June 29, 2004 for the above-identified patent application. A copy of the Communication without the attachments is enclosed herewith. The online records of the United States Patent and Trademark Office indicate that the Communication has been received by the United States Patent and Trademark Office, but as of today, December 7, 2004, Applicants have not received a response thereto.

In addition, Applicants submitted a first Status Inquiry on August 17, 2004, copy enclosed, and requested to be made aware of the status of the afore-mentioned Communication. The online records of the United States Patent and Trademark Office indicate that the Status Inquiry was received on September 13, 2004, however, no notification was ever received by Applicant in connection with the first Status Inquiry. Therefore, Applicant submitted a Second Status Inquiry on October 5, 2004, copy enclosed. The online records of the United States Patent and Trademark Office indicate that the Second Status Inquiry was received on October 8, 2004, but again no notification was ever received regarding the Second Status Inquiry. On November 5, 2004, Applicants submitted a Third Status Inquiry, copy enclosed, to the United States Patent and Trademark Office. The online records of the Patent and Trademark Office indicate that the Third Status Inquiry was received on November 9, 2004, but as of the date of this Fourth Status

Inquiry no notification has been received regarding any of the previously sent Status Inquiries.

Applicants are now submitting a Fourth Status Inquiry to respectfully request that the United States Patent and Trademark Office issue a Response to the afore-mentioned Communication or contact the undersigned via telephone number (312) 704-1890 or via facsimile number (312) 704-8023.

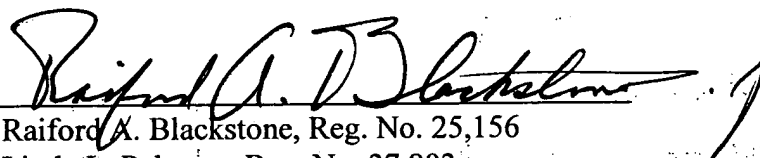

Respectfully submitted,
